

Optimist Painters

At the 2009 IOCA (UK) nationals all Optimists will undergo safety checks pre registration. One of these checks is the painter.

Class Rules

4.3(b) A painter of a single piece of buoyant rope, not less than 5 mm diameter and not less than 8 m long securely fastened to the mast thwart or mast step.

IOCA (UK) Interpretation

An 8 meter length of rope set up as follows:-
