

Sunset Series 2021

Safety/Support Boat – Insurance Declaration Form

Dear Volunteer

The Sunset Series Committee thank you very much for your offer to use your boat as a support/safety boat for Sunset Series 2021.

Inevitably, this does lead to some additional paperwork and we would appreciate a few moments of your time to make sure that all the details have been cleared. We would ask you to enter the days when both you and your boat are available on the Sunset Series on-line application form in the volunteer section. This will greatly assist us in knowing what resources are available each day.

Please make sure that you have read and understood the Sunset Safety Plan as published on the DSC website (<https://dabchicks.org>). If you have any questions please speak to James Sanderson, the Sunset Series Safety Officer or Chris Burr the Sunset Series Chair. There is a safety briefing that you are required to attend. This currently scheduled for early evening of 28th April 2021. Please refer to the DSC website to check for the date and timing.

Finally, we need to have a record of the insurance which you carry for both yourself and the boat. Please can you sign this letter to confirm that valid insurance is held and return it to the Sunset Series Safety Admin Officer.

Safety/Support Boat Insurance:

It is a requirement of Dabchicks Sailing Club that all safety/support boats must carry adequate third party insurance at all times. All adults that intend using their craft as safety/support boats must sign the declaration below.

I confirm that I carry a valid current third party insurance which covers my craft for third party claims (whilst it is being used for safety/support boat duties) for not less than £3 million, and that cover will continue throughout the events.

Signed _____ Date _____

Name _____

Name/Description of Boat _____
