

## Dabchicks SC Optimist Open Meeting 2021

### Safety/Support Boat – Insurance Declaration Form

Dear Volunteer

Dabchicks SC thank you very much for your offer to use your boat as a support/safety boat for the event.

Inevitably, this does lead to some additional paperwork and we would appreciate a few moments of your time to make sure that all the details have been cleared.

Please make sure that you have read and understood the Notice of Race and Sailing Instructions for the event published on the DSC website. ([www.dabchicks.org](http://www.dabchicks.org)). If you have any questions please speak to a member of the DSC team at registration. There is a safety briefing just before the sailors' briefing, please ensure that you attend that briefing and make contact with the Safety lead for the event.

Finally, we need to have a record of the insurance which you carry for both yourself and the boat. Please can you sign this letter to confirm that valid insurance is held and return it at registration.

#### **Safety/Support Boat Insurance:**

It is a requirement of Dabchicks Sailing Club that all safety/support boats must carry adequate third party insurance at all times. All adults that intend using their craft as safety/support boats must sign the declaration below.

I confirm that I carry a valid current third party insurance which covers my craft for third party claims (whilst it is being used for safety/support boat duties) for not less than £3 million, and that cover will continue throughout the event(s).
